## *Principal's Message*

Dear Students of the Class of 1975:

On behalf of the Administration and the teachers, it is with great pleasure that I commend you on your completion of Hubbard Middle School, and it is with pride that I congratulate so many for outstanding achievement.

As you know, Hubbard Middle School is dedicated to the principle of providing the best education possible for all of its students. Our program has offered opportunities for your self-discovery and personal development. As loyal young men and young ladies, you have not only kept Hubbard a good school, but you have also helped to make it better. You have added to its history and you have enriched its traditions.

As you embark on your Senior High School careers, we hope that each of you will continue to take advantage of the opportunities to deepen and extend your wholesome interests and abilities, and to direct them toward a lifetime of social achievement and personal fulfillment.

It is our sincere wish that you continue to strive for the best that life has to offer you. I am sure that if you follow that goal, your lives will be richer and that wherever you are, the world will be a better place because you are there.

We extend to you our very best wishes for your future.

Sincerely,

Leonard F. Jengeleski, Principal
